

# AMAZON COLLEGE SRI LANKA

www.amazoncollege.lk

Amazon College is dedicated to take the nation towards new possibilities with the latest, timely and cost effective education which brings to you globally accredited certificates within a short time span in Sri Lanka.

Our task is to be in the forefront of learning, creativity and practice in our specialist subjects. Our teaching and research have been judged as 'excellent' by independent and rigorous peer review.

The achievements of our students, staff and alumni are the true testament of our success. Amazon College we promote talent, creativity and intellectual excellence in an organizational culture which helps talented staff and students to develop and commercially advance their abilities and ideas. We work to provide a bridge between higher education and professional practice and to serve the creative industries.

#### **OUR PROMISE & VALUES**

AND COLLEGE

## 100% Full Potential

Considering our student as a core of all activities conducted, we keep a simple ambition to explore the full potential of our students. So part of a teachers' role is motivating students to ensure that they overcome their individual challenges and excel in their studies.

## 100% Caring

- The best possible quality teaching.
- ⇒ Personal Tutors who really care for you.
- ⇒ Additional support for those students who require extra help with their studies.
- → A friendly, caring environment with high expectations at all times.

## 100% Community

Visitors to Amazon College frequently comment on its happy and purposeful atmosphere as we strongly emphasize on the strapping relationship existing between the staff and students which creates a college community & where each person is valued and can flourish.

# 100% Encouragement

Success at institute requires students to make the maximum effort throughout their time with us. If you can make that commitment, you can be sure that the staff will provide you with the help, support and encouragement that you need to reach your full potential

### **VISION**

To enhance the availability of quality education and prepare every student to compete conveniently
